Location

Miri Apartments is located at Nakuru, section 58 - NAKA Opp. Naka Primary School, along Odinga Odinga Avenue. From the apartments, you can clearly view hippos, flamingoes and other wild animals in their natural habitats.

Flamingoes, Hippos and Other animals at Lake Nakuru

Apartments

Each apartment is airy, well appointed, with large windows to allow a flooding of natural light and breath-taking views of the surrounding scenery. All the fixtures and fittings are made of mahogany with the hardwood Elgon teak parquet floors, radiating a warm, opulent feel. The décor is a skillful blend of effects by renowned interior designers. The furniture has a chic but cozy feel, set among a tasteful mix of imported fabrics and soft lighting. Gratis, a full set of linen and extra beddings provided. The penthouses feature four stylish and generously apportioned bedrooms with

incredible views. The circular columns and roomy archways connecting the dining area crown its palatial feel. The living room opens to a sizeable balcony with scenic views of the Nairobi National Park and the Ngong Hills. Here, unwind, settle for a sundowner or a nightcap with friends as you take in the surroundings.

All apartments have a safe for securing your valuables, direct telephone facility and lift service for the upper floors. The larger apartments have a private study so that you can catch up with work your undistracted. The ground apartments have direct access to the splendid and tranquil gardens.
